Dear Ms. Casteel:

This letter is to inform you the Division of Water Resources is terminating the above referenced permit effective as of the date of this letter. The above referenced permit expired on September 30, 2014. To this date, an application for permit renewal has not been received. Furthermore, it is our understanding that operations at the facility located at Tasso Road/Michigan Ave/Dry Valley Road do not have any wastewater discharges to waters of the state. If you should decide to discharge again, you must reapply for an appropriate permit at least 180 days prior to any proposed discharge.
